About Us

Cntct No.-+91-8875555501

Established in Jaipur Rajasthan, India where Art, texture and nature have always been a source of creativity.

Taking inspiration from art & culture. Dia Charms® was born in 2020 creating delicate pieces that could be worn and enjoyed every day with a chic, sexy and feminine feel.

Working with 14k & 18k gold and 925 sterling silver subtly handset using microscope with diamonds and semi-precious stones, each piece is a combination of understated glamour and simple elegance. Each piece can easily be worn alone, or layered, matched and stacked.

We exist to support the bench jeweler, the jewelry designer, the retail jeweler and the jewelry manufacturer.

We stand for makers who create with their hands and their hearts and who are courageous enough to make jewelry their livelihood.
